January 16, 2008  
Pergamon Restaurant, Creedmoor  
(same location as September meeting)
- Other announcements?

# Neuse River Foundation

Muddy  
Water  
Watch

# Falls Lake Nutrient Management Strategy

## November meeting with DWQ:

- Rule development will NOT be phased
- DWQ will seek extension to summer 2010 for EMC rule adoption
- Stakeholder process would likely get underway with completion of watershed model (August 2008, projected)

**Local governments may have to retrofit pre-NMS development in order to meet nutrient targets!**

# Recognizing Good Development

- Recognize developers who protect water quality
- Encourage more developers to adopt low-impact development practices
- Promote use of UNRBA's Site Evaluation Tool to assess development impacts

# Housekeeping

- ✓ UNRBA staffing
- ✓ UNRBA newsletter:
  - Getting out there?
  - Any conversations?
- ✓ UNRBA tax return
- ✓ Board member notebooks
- ✓ Recommendation Sheets: BOD approved #6 (Septic Inspections) and #16/17 (Watershed Restoration) via email Nov. 14

# Project Updates

- Lick Creek Watershed Restoration Plan
  - NC EEP Phase IV Project
  - Home Depot Tree Planting Grant
- 

# NEXT UNRBA BOARD MEETING
