**Task Group
October 7, 2002**

Supplemental Funding Task Group

Purpose of the Supplemental Funding Task Group:

To assist the UNRBA and its member governments in implementing the Upper Neuse Watershed Management Plan through procurement of local, state, federal, and other funding sources.

Agenda

2:30 Welcome & Introductions

2:35 Background--UNRBA dues and finances.

2:40 Plan implementation and the need for funding--UNRBA Goals and "readiness to proceed" in the context of funding opportunities.

3:00 Funding opportunities--Focus on EPA, Clean Water Management Trust Fund, NC Wetlands Restoration Program, and local sources (local sources can include the UNRBA dues or any money already targeted for strategies recommended in the UN Watershed Management Plan).

3:15 Setting priorities--what should we pursue? What are our next steps?

3:30 Adjourn
